*An Ideal Retreat for In-Depth Learning and Practice of Meditation,
Yoga, Reiki, Sound Bowl Healing & Meditation Teaching in
Kathmandu*

Nestled in the serene foothills of the Himalayas, Shiv Tattva Yog School is not just a destination; it is a transformative journey back to your true self. Founded on the ancient principles of yoga and holistic healing, we have emerged as Nepal's most trusted sanctuary for those seeking authentic spiritual growth, profound healing, and certified teacher training. Our journey began with a simple yet powerful vision: to create a genuine space where the ancient wisdom of the Himalayas could be accessible to every seeker. Our founder, Devraj Pathak, a dedicated Yogi and Master Healer with over 10+ years of practice, witnessed the growing need for a yoga school that stayed true to its roots while addressing the modern seeker's needs. What started as a humble ashram has blossomed into a premier institute, recognized as the best yoga school in Nepal. We
